

House Resolution No. 1920

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State medical institutions that admirably enhance quality of life in local communities and neighborhoods through the excellence of their personnel and services; and

Whereas, Sainte Genevieve County Memorial Hospital has served the people of the surrounding area since its inception in the late 1960s; and

Whereas, on March 28, 2007, Sainte Genevieve County Memorial Hospital improved upon its already impressive record of achievement when it broke ground for a new emergency department that will include space for high-tech imaging, eight treatment rooms, two trauma rooms, a triage room, and a large waiting room for family members and friends of those who need to utilize the health care venues associated with the hospital; and

Whereas, already staffed 24/7, Sainte Genevieve County Memorial Hospital has ensured that its new emergency department will be designed for maximum flexibility to care for diverse patient problems; and

Whereas, the 7,000 square-foot emergency department will provide a modern facility in which patients can receive health care with privacy and dignity and in which doctors can practice medicine with state-of-the art resources; and

Whereas, in order to allow room for the expansion, Sainte Genevieve County Memorial Hospital will need to construct a new parking lot north of the city fire station on Pine Drive, relocate the hospital's heli-pad, and create a new entrance to the hospital campus from Highway 61; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative endeavors in order to acknowledge milestone events in the histories of exceptional Missouri health care organizations:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the history, goals, and accomplishments associated with Sainte Genevieve County Memorial Hospital and to convey to all of those involved this legislative body's most heartfelt congratulations upon a highly successful groundbreaking ceremony to mark the beginning of construction for new emergency department facilities; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to Sainte Genevieve County Memorial Hospital.

Offered by _____
Representative Joseph Fallert, Jr.
District No. 104

I, Rod Jetton, Speaker of the House of Representatives, Ninety-fourth General Assembly, First Regular Session, do certify that the above is a true and correct copy of House Resolution No. 1920, adopted April 16, 2007.

Rod Jetton, Speaker
